Urizen Cap. III.

As the stars are apart from the earth
So Los wept howling around the dark Demon:
And cursing his lot for in anguish
Urizen was rent from his side
As a Rib from his left hand: & a Female
Form'd for his delight: but Urizen
Fell down into the Abyss of Space
Into the Deep: & his Spectre
Remain'd with Los: & Los & his Spectre
Builded the Furnaces of Urizen

10 But Urizen laid in a stony sleep
Unorganized, rent from Eternity.

11 The Eternals said: What is this? Death
Urizen is a clod of clay.
